

# The Universal Laws of Life® Community Involvement Circles

A dynamic 3-hour session of personal sharing and self-unfoldment techniques

## The Law of Spiritual Energy

### ***You will learn:***

- How the energy flows through your physical body
- The concepts that hold you back from being the “real” you
- How to be more confident in your daily life
- How to open up all of the spiritual energy centers

### ***You will experience:***

- How to feel, see and read auras and watch your angels or spiritual guides move in and out of your energy
- How to accomplish 10 times more than you are now with less effort
- Have a spiritual experience with your spiritual guidance in the universe with a feeling of weightlessness
